Dear Friends,

In recognition of the need to perpetuate student and community pride in the athletic heritage and traditions of Garfield High School, the "Garfield Athletic Hall of Fame" was established. Each year athletes, coaches and other individuals who have made a significant contribution to the athletic program of Garfield High School are inducted into the Hall of Fame.

This year, our dinner will be held on Friday, May 9th, 2014 at the Royal Manor, Midland Ave., Garfield, NJ. That evening, the outstanding individuals or teams listed below shall be inducted into the "Hall of Fame". This annual affair is costly and we do rely upon many good friends, businesses, industrial and professional people like you to support this program. We therefore solicit a contribution from you to be placed in our Ad book. Your support will greatly be appreciated. Please return your ad by Monday, April 21, 2014. Thank You.

Very truly yours,
Ad book committee
